THE readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

It's a Grand Success.

The fact has been demonstrated by the thousands of testimonials the Mayers Drug Company, of Oakland, Md., has received since it has sent its famous Mayers' Magnetic Catarrh Cure out to the sufferers of catarrh. No medicine has received such an endorsement from the people in so short a time as it did. The makers sell the medicine on business principles, and a patient is not required to buy the medicine by the dozen to get a cure. The Mayers' Magnetic Catarrh Cure sells for \$1 per bottle, one bottle to last for a three months treatment. 3 bottles is the highest record ever required to complete a cure. General catarrh one bottle is guaranteed. No cure no pay.

This is an unequalled offer and if you are a sufferer from catarrh get a bottle from your druggist, if no benefit derived costs you nothing. A prominent R. R. conductor speaks:

CUMBERLAND, Md., April 29, 1893.

To The Mayers Drug Co.

Gentlemen:—Yours to hand. In reply will say that I have the highest regard for your Catarrh Remedy. My trouble is in a chronic form and expect to use more than one bottle. I used one bottle, which removed the trouble from the head in good shape and am on the second bottle for throat trouble. If I should succeed with the latter as I did in the former I shall write you again in the near future. Hoping it will do for the suffering humanity what it did for me, I remain Yours truly,

G. J. SCHMUTZ.
